

## THE CORE TRUTH

Strategic curiosity is often more powerful than certainty

AND

It's completely within your control.

## KEY TAKEAWAYS

**Curiosity isn't random**  
It's a skill you can train.

**There are 5 types of curiosity**, and each one creates a different kind of career magic.

**Asking smart questions signals influence** - not ignorance.

**Staying curious helps you pivot, adapt, and grow**-even in uncertainty.

**You don't need all the answers.**  
You need better questions.

## ACTION MOVES TO TRY

Run a "What if?" session on a current challenge- no filters, no bad ideas.

Use the "Love it, Leave it, Test it" frame to make one career decision this week.

Ask one curious question in a meeting where you'd normally stay quiet.

DM or email someone whose work intrigues you - ask them one bold question.

**ASK  
MORE  
QUESTIONS**

## CONVERSATION STARTER WITH YOUR BOSS

"I've been thinking about how curiosity drives better decisions. What's something we haven't questioned in a while that might deserve a second look?"

## ADD THIS TO YOUR BOLD MOVES BANK

**Take the Curiosity Quiz** to find out your signature style.

**Create a "Curiosity Map" of your role:**

Where are you coasting? Where could you dig deeper?

**Choose one curiosity type (Intellectual, Social, Experiential, Problem-Solving, or Self-Curiosity) to stretch this month** - Journal what you notice.

**Reflect:**

What's a time before curious changed your trajectory? How can you tap into that mindset again?
